

Project notes

This is a fictional document for testing PDF renaming.

It contains no personal, financial or confidential information.

Try changing the filename from Scan0001.pdf to Project-notes.pdf.

The title stored inside this PDF is currently Untitled.

To change it, enable document properties and enter Project notes.

Example notes

- Draft a simple project outline.
- Review the layout and add a short summary.
- Share the finished document with a clear filename.
